

Helping Hands Grants

Beginning in March of 2008, The Athens-Limestone Hospital Foundation began awarding monthly grants for equipment and material needs through out the hospital. The maximum amount per grant per month is \$2000. Grants will not be given for travel or conference fees. Monthly grants will be awarded for items that will be used within the hospital and must pertain to patient safety, care, comfort and or convenience.

Please fill out the form below and include photos and manufacturers description. You may attach extra pages if necessary.

Department/Unit: _____ Date: _____
